## News this month...

Dear Answer Cancer Champions,

We would like to invite you to our upcoming FREE online training sessions. These sessions are aimed at anyone living within Greater Manchester with an interest in promoting cancer awareness. If you have any questions, please contact: [training@answercancergm.org.uk](mailto:training@answercancergm.org.uk)

Register in advance to attend the sessions. You can join as many as you like. Click on the links to register and find out more:

### Facts & Myths

This session will increase your understanding of the importance of seeking out factual evidence-based information regarding cancer. The session highlights some of the most popular myths about cancer and replaces them with facts. Fun and informative.

Tuesday 9<sup>th</sup> June 11am –

We look forward to seeing you online.

Answer Cancer are looking for digital champions who can support friends, neighbours, and colleagues to stay physically and emotionally healthy while social distancing restrictions are in place. We also want to encourage people to access healthcare services for other potentially serious, non-Covid, conditions including cancer. The NHS is looking at how it can help people who need them and have stayed away.

As a digital Answer Cancer Champion you can commit as much or as little time as you wish to the role. If you're keen to get stuck in and organise regular online events that's amazing, but if all you can spare is a couple of minutes each week you can still make a big difference by committing to regularly sharing our health and wellbeing advice and resources on social media.

You can read more about this opportunity [here](#). Once you are ready to sign up, click on the button below to give us your contact details and answer a few quick questions about what you would like to do and what support you would need to help you do this.

**Sign up now**
